Summary

Full-Stack Developer looking for career in Software Develpment field. My recent experience at DU Denver Coding Bootcamp offered me skills in building full-stack applications in JavaScript.

I am also a Cerfitied Jazzercise Instructor since 2017 and teach at least four classes per week at Jazzercise Thornton in Colorado.

Fluent in Russian (read, write, speak). For past 15 years I have been a full-time mother to my two children.

Experience

Certified Jazzercise Instructor

Jazzercise, Inc. (Independent Franchisee) • Thornton, CO
03/2017 - Present
